Instructions for Filling Out the Employment Application

The Carroll County Employment Application is provided in Adobe® Acrobat form fill format. Applicants may fill in and print the application (with the free Adobe Reader), or save the application for later editing (if they have upgraded to the full Adobe Acrobat). Prior to submission to the Human Resources office, applications must be printed, signed, and submitted according to instructions found on page one of the application.

Download the latest version of Adobe via the following link:

http://www.adobe.com/downloads/

For questions regarding the application, you may contact the Human Resources office at 770-830-5817.
