Park Rules and Regulations

- · Pets: Pets are welcome at Carroll County Parks if leashed (no longer than six feet) and accompanied by the owner at all times; however, they are not allowed in the Group Lodge, Group Shelters, and swimming areas. Pets are allowed only in select motel rooms with advance reservations and a fee. Kennels are not available. Owners should clean up after pets.
- Intoxicants: Consumption or use of alcoholic beverages or intoxicants is unlawful in any public-use area.
- Campfires: All campfires must be kept in designated areas such as a fire ring. Never leave a campfire unattended. Smaller fires with coals (rather than large flames) are better for campfire cooking and toasting marshmallows.
- · Collecting: All wildlife, plant life, driftwood, artifacts and any other natural or man-made features are protected and may not be disturbed or removed. Please leave wildflowers for other visitors to enjoy. Possession of metal detecting equipment is prohibited.
- Motor Vehicles: Park roads are public roads. All vehicles are subject to license safety requirements and regulations of the Georgia Department of Public Safety. ATVs and golf carts are not allowed.
- · Noise Levels: Please be considerate of guests who are visiting the park for a quiet, natural experience. Radios, televisions, musical instruments and all other noisemaking devices are not to be used between 10 p.m. and 7 a.m. and must be kept at low volumes during other times.
- Visitors: Visitors to motel rooms, campsites and lodge are welcome; however, the number of visitors and registered guests must not exceed the stated capacity at any time. Visitors must leave prior to closing times.
- Group Activities: All group gatherings must conclude before 8 p.m.
- Weapons: Bows and arrows, explosives, fireworks, slingshots, fishing spears or any device that discharges projectiles by any means is prohibited. Firearms must be unloaded, cased and stored, unless a person possesses a weapons-carry license for a firearm that is valid in Georgia.
