

Poultry House Storm Water Construction Permit Guidance for Form, Fee and Plan Submittal

1. A Notice of Intent (NOI) Form must be completed and sent certified mail return receipt to the appropriate EPD District office. After August 1, 2018 all NOI must be submitted online through Georgia EPD Online System (GEOS):

Georgia EPD Online System (GEOS) for Permitting, Compliance and Facility Information contact **Tabathia Shiflet (770)387-4911;**
Jennifer Hackney (770)387-4900

GEOS Link:

<https://geos.epd.georgia.gov/GA/GEOS/Public/GovEnt/Shared/Pages/Main/Login.aspx>

2. The Erosion, Sedimentation and Pollution Control plan completed and certified by a qualified design professional should be sent certified mail return receipt to:

UPS/FEDEX address:

Georgia Environmental Protection Division
ATTN: Jennifer Hackney
16 Center Road
Cartersville, GA 30121

U.S. Post Office address:

Georgia Environmental Protection Division
ATTN: Jennifer Hackney
P.O. Box 3250
Cartersville, GA 30120

3. Your Design Professional can help you create your GEOS Responsible Official account. Once the account is created and your Plan details are entered you will receive a Submittal ID. Your Submittal ID will be required when applying for your Building Permit with Carroll County Community Development.

4. The \$80 per disturbed acre fee should be submitted to EPD in Atlanta as directed on the EPD Fee Form. Do not split the fee with the local issuing authority (city or county). The entire \$80 fee should be sent to EPD in Atlanta. The construction of farm buildings is exempt under the Georgia Erosion and Sedimentation Regulations, thus the Local Issuing Authorities do not receive a portion of the fees or approve plans.

5. After completion of construction activities, the Notice of Termination information should be entered in GEOS when Final Stabilization is complete.

Prepared by the Carroll County Community Development — July 25, 2018
Based on Information from Georgia EPD
