# What is Emergency Management

As an entity of the local county government, the Carroll County Emergency Management Agency (CCEMA) uses a four-pronged approach to emergency management that includes: preparedness, mitigation, response, and recovery. This approach emphasizes planning, training, and resource coordination to prepare our citizens for how they should respond and recover from any threat, actual disaster, act of terrorism, or emergency situation.

## *Emergency Management*

### Did you know?

48% of Americans lack emergency supplies for use in the event of a disaster. Being prepared saves lives.

## Who are we?

The Carroll County Emergency Management Agency is responsible for assisting in the protection of lives and property of Carroll County Citizens in the event of natural or manmade disasters.
